Kalí[®]

The Fierce Protector of Metabolism

*Our Kalí blend embodies that same fire:
a shield for patients on GLP therapy.*

*GLP therapy, protecting their strength, metabolism, and vitality
while easing the journey to lasting transformation.*

WHAT'S INSIDE EACH 5ML VIAL:*

- **BPC-157 (10mg)** – Repairs gut lining, eases nausea, reduces bloating, and calms GI distress so patients stay on therapy.
- **MOTS-c (10mg)** – Restores mitochondrial energy, improves insulin sensitivity, and combats GLP-induced fatigue.

HAS SHOWN INCREDIBLE POTENTIAL FOR:*

- Shields lean muscle from wasting and "skinny-fat" risk
- Rekindles cellular energy to fight fatigue and burnout
- Keeps metabolism flexible, adaptive, and responsive
- Prevents weight loss plateaus for sustained results
- Extends the effectiveness and tolerability of GLP therapy
